222-29-7 of 16-7-30 passing orders for
the levy of contribution for the Museum

that no institution can be exempted
from payment of contribution.
The M.E. in charge of the P.W.D. says
that there is no need for recovering
contribution from the Mutt
in question as a Special Establishment
is proposed to be maintained at
the cost of the Mutt. Whether this view

22- The management is proposed to be taken up in the first instance for a year only, before the expiry of which time an exact idea of the actual income of the Mutt from the landed property in outside Mysore can be had. The scope of the M.C. is for wards—

GS 14-10

23) Referred with reference to para 12 supra— The M.C. has now furnished full details which are as follows:—

Income from all sources — Rs 35000/-
Liabilities — Principal Rs 34000 + Interest accrued 3290, or Rs 37290/- in all
Rate of Interest on loans — 9% per annum
Annual Interest — Rs 3060 per year

24) The M.C. reports that he interviewed the Swamiji at Mysore on 7th Oct 33 and that the Swamiji told him that for the present the management of lands as the Mutt will continue to look after the internal management of the Mutt and its branches, that the Agent appointed by the authorities

And that until the income from the lands accrues
Govt need not pay anything towards the Mudi expenses
or towards interest payable on loans.

2. The Mg further reports that the income from the lands
is estimated at Rs22000/- but feels that the actual realisation may
fall far short of the estimate and therefore
opines that the question of the Amount to be
set apart for the discharge of loans & the Amount
to be paid to the Swamigalu may be deferred
for the present.

3. He estimates that the cost of Govt management
will be Rs 4077/- per year Assuming that a

one clerk. The peons required will probably
be given by the Mudi.

4. The Mg. states that it is not necessary to
recover any contribution to Muzrai Fund
as a Govt Est will be maintained at the Cost
of the Mudi.

5. The Mg. recommends that in the above
circs the management may be taken up
in the first instance for a year only and
requests sanction to his proposals.

recommendations may perhaps be approved.

***Subject:—***

Assumption of the management of the properties, in and outside the State, belonging to Sri Kudli Sringeri Mutt.

The Swamigalu of Sri Kudli Sringeri Mutt has expressed a desire that the entire Estate of the Mutt may be taken under Government management for a few years, as the Mutt is finding it difficult to manage the properties situated in and outside the State and as it has been found by experience that management by an Agent holding a General Power of Attorney and under the Swamy's direction will not only interfere with his Ashrama Dharma but will not also be conducive to good administration of the endowed properties.

The Huzrat Commissioner was asked to report on the matter. He interviewed the Swamigalu, and reports that the Swami assured him that the Agent appointed by Government would be given all the necessary assistance from the Mutt for the recovery of the rents, that Government need only take the management of the lands, while the internal management of the Mutt and its branches would continue with the Mutt authorities and that until the income from the land accrues, which would be towards the end of the year, Government need not pay anything towards the Mutt expenses and towards interest payable on the liabilities of the Mutt.

The Huzrat Commissioner recommends that the management of the properties of the Mutt, in and outside the State, may be taken over by Government for a period of one year in the first instance. He has estimated the cost of the management at Rs 4,077 per annum as noted overleaf and has suggested that the amount required for the purpose during the remaining part of the current year may be advanced from the Huzrat Establishment Fund and adjusted at the close of the year. As regards contribution to the Huzrat

4) When the papers came up before me, I observed as follows in my Minute dated the 19th October 1933 -

4a "In the case of Sosale Mutt, we gave up the management as the lands were scattered and there was a lot of litigation. In the present case, conditions seem more easy and so we may try for a year as suggested by the Muzrai Commissioner. The establishment charges are rather high, but cannot be helped. The Swami realizes the need for such establishment."

4b It is, therefore, proposed to accept the recommendations of the Muzrai Commissioner as detailed above.

5) The above proposal has been agreed to by the Dewan and I solicit His Highness' gracious sanction thereto.

I have made it clear to the Swamigalu that as the properties are for the major part situated outside the state, while every endeavour would be made, to manage the properties as ----- efficiently as possible the Government should not be held responsible for the results which depend mostly upon the help and co-operation the local persons to be actively associated with the Government agent, will be able to render. The Swamigalu has accepted the position as stated above. I accordingly recommend that the management of the properties in and outside the state may be taken over by Government, for a period of two years in the first instance. A Deputy -- Amildar or an Amildar of the last grade may be selected for the work and may be given his grade pay with an allowance of Rs.50/-, the entire cost of the agency establishment being limited to Rs.300/- a month.

Sir,

In reference to your letter No. 379/ Misc-60-2 dated 1-8-33 calling for certain additional information in the matter of the assumption of the management of Sri Kudli Sringeri Mutt's property I have the honor to forward herewith (1) one list of landed properties belonging to the Mutt in and outside the State and of the assessment, cess etc., payable on them, (2) a statement showing the liabilities of the Mutt and (3) a statement showing the detail of monthly expenditure which the Mutt expects to be paid by Government, received with the Mutt Manager's letter No. 150 dated 2-1-33 (copy enclosed).

2. As stated in this office letter No. 1-5/33-34 dated 26th August 1933 the annual income of the Mutt from all sources as estimated by the Mutt authorities at about Rs. 3,60,0/-. The liabilities amount to Rs. 54,000/- towards pre-dated, and Rs. 3,00,- on account of what is overdue. The local cash at present in the hands of the agents comes to Rs. 5,000/-. The assessment, cesses, etc., on the lands both in Mysore and British India is Rs. 1,20,/- per annum.

3. I interviewed the Swamiji on the 7th inst. at Sringeri. The Swamy assured me that the agents appointed by Government would be given all the necessary assistance in the collection of rents. He told me that Government need not have any management of lands while the internal management of the Mutt and the

arrears would continue with the Mutt authorities, and that until the income from land accrues, which would be towards the end of the year, Government need not pay anything towards the Mutt expenses or towards interest payable on the loans.

4. The income from the lands is estimated roughly at Rs.22,000/- by the Mutt authorities. But considering the uncertainty and difficulties of recovery, the actual realisation may fall far short of their estimate, which in the absence of an accurate record of the assets of the Mutt and of the income obtained in previous years, appears to be somewhat conjectural. The question of the amount to be set apart for the discharge of the loans and the amount to be paid to the Swamigalu may, therefore be deferred for the present.

5. As regards the establishment required for management, it is necessary to provide for the travelling allowance of the Agent and his office, and for contribution of peishcary charges from Mutt funds. As a special establishment is maintained at the cost of the Mutt it is not necessary to recover any contribution to Muzrai Establishment Fund. Assuming that a Deputy Amildar will be the Deputy Amildar Agent on Rs.100/-125. average Rs.110-12-0 Allowance to Amildar " 50- 0-0 Agent to be allowed " 20- 0-0 Contribution for Amildar Agent and Clerk " 100- 0-0 per mensem Loans repayable by contribution to Govt Rs.40,000 @ 5% " 30- 0-0 Contingencies. " 10- 0-0 Rs.320-12-0 per mensem or Rs. 4077-0-0 per annum. (360 minus 39.88) the cost of management would be Rs.4077/- as noted in the margin. The amount required for the purpose for the remaining part of this year may be advanced from the Muzrai Establishment Fund, and adjusted at the close of the year. The arrangement may be taken up in the first instance for a year only

6. As the Commissioner is about to go on a tour, I request that sanction may be conveyed early to the above proposals.
